

Le dé dans la main avant d'être lancé

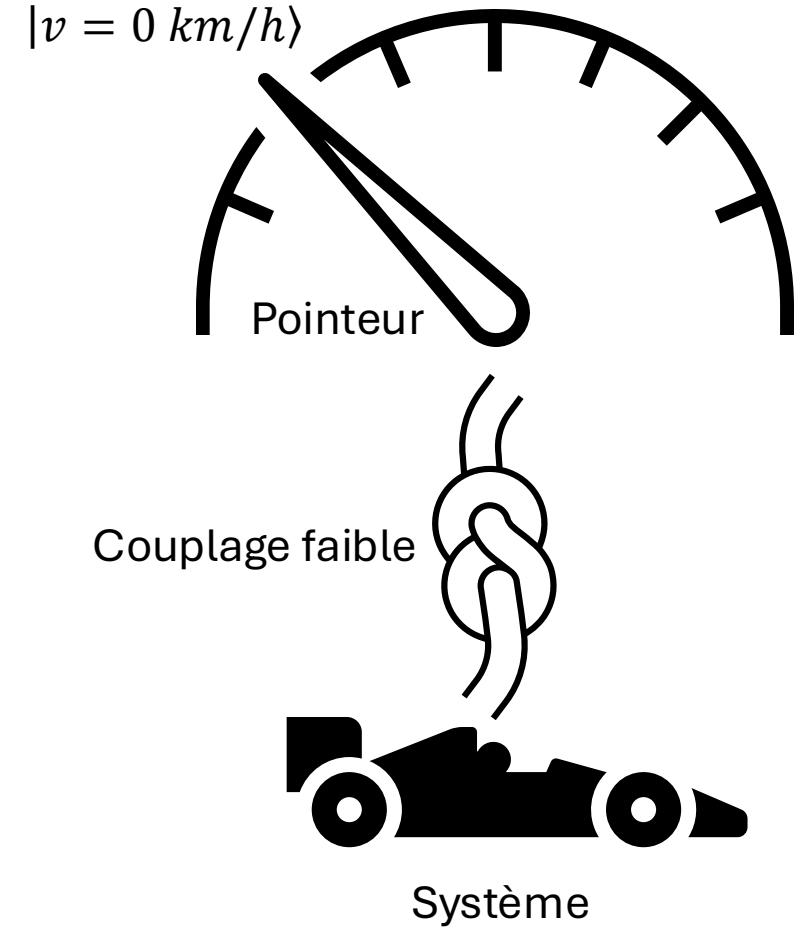

État du dé initialement en superposition

Mesure du résultat du dé sur la table

Le dé est
lancé

État du dé s'effondre à une de ces valeurs
et mesuré de façon projective

a)

$$|\psi\rangle = a|H\rangle + b|V\rangle$$

Intéraction forte $\delta \gg \sigma$

b)

Intéraction faible $\delta \ll \sigma$
